Views of the Deity, Traditional

AND SCIENTIFIC: a Contribution to the Study of Theological Science. By JAMES SAMUELSON, Esq., of the Middle Temple, Barrister-at-Law, Founder and former Editor of the Quarterly Journal of Science.

"This is a strange little book, but one that deserves to be carefully read and studied by all who are interested in observing the influence that the discoveries of modern science are exercising on theological opinion."—*Examiner*.

"Mr. Samuelson is a layman speaking to laymen in all the different features of his book. He puts himself alongside the intelligent although non-scientific reader, and alike in theological and natural science his setting of truth is fresh, his writing devoid of technicalities, his argument simple and clear."—*Newcastle Chronicle*.
